

# Justified and Free

*Just as if I'd never sinned,  
That's the way it is for me  
And I'll walk with my head held high,  
I'm justified and free.*

Have I satisfied the law?  
Am I any good?  
Could I make it by myself?  
No, I never would.

God will not condemn me  
Nor send me away;  
For when Jesus died, so did I,  
And He lives in me each day.

So you see I'm righteous  
But not by works of law;  
It is through the grace of God,  
The only way for sure.
